Returns / Warranty: Stainless Steel Instruments

All GerVetUSAsurgical instruments are guaranteed for life against manufacturing defects, provided that the instrument is used for its intended surgical purpose. GerVetUSA will either repair or replace the instrument without charge at our discretion*. Our liability under this guarantee shall be limited to repair or replacement of defective merchandise.

Our guarantee is unqualified because our own quality control inspectors check Our instruments are carefully examined by our surgical instrument experts.

* No instrument is shipped unless it meets our standards. Tungsten carbide instruments are included except for jaw inserts and Gold handles by a separate warranty.

TTA Instruments provide Cranial cruciate ligament repair in dogs, a condition commonly seen at a precision and proven method.

- TTA Implants and Instrumentation are the newest in cruciate repair.
- TTA offers a simpler procedure opposed to a TPLO procedure.
- In most dogs, TTA can repair CCL ruptures.
